Here is the official player ranking after the 2006 pool. Placement is determined by Weighted Average (WT-AVG) from 0 to 1 which weighs your placement vs. everyone in the pool that year. So a 5th place finish among 80 entries is much more impressive than a 5th place finish among 12 entries. A record 46 entries were ranked thanks to a record 12 new entries who played their 5th year. Bing F., who sat out in 2006, held onto the #1 for a record fourth straight year with a 0.790 WT AVG. He has a comfortable 0.039 lead over Scott T's first entry. Champ Ken B. had the largest WT-AV increase (0.115) and % increase (59.5%) but due to very poor showings in previous years, only gained one real spot (compared to last year's ranked opponents) (and fell 10 spots overall due to the 12 new entries). 3rd Place John C. fared better, moving up 8 real spots (2 overall) with a 0.079 WT-AV increase. Cliff T. had the largest gain, jumping 9 spots from last year (6 spots overall). Rob C.'s 2nd entry took the biggest fall (-0.091), dropping 10 spots (13 overall). Dara C. had the largest decline in WT-AV (-13.8%) and fell a total of 15 spots (6 real spots). Brian Z. had the highest debut at #4 while Mart G. debuted at #44. Vi N., despite a 22.6% WT-AV gain, remains in last place for the 3rd straight year, 0.040 behind the person above her.
